Dermatological test on humans in 2007

The dermatological-allergological test performed by us
on your product under the control of dermatological specialists

**was passed by this product with the rating
“very good”.**

This product did not lead to allergic or toxic- irritative intolerance reactions in epicutaneous testing in accordance with international guidelines. The tolerance of this product can therefore be assessed as very good.

Dr. med. Werner Voss
Investigating specialist
for dermatology, allergology,
venerology, phlebology
and environmental medicine
